Dear Prospective Sponsor

Second Street Youth Center Foundation, Inc. respectfully solicits your support in helping the children in our community of SSYC-Teen Resource Center (TRC).

SSYC is a multipurpose non-profit organization that has been a recognized viable community service agency in the City of Plainfield since 1968

It is the intention and purpose of Second Street Youth Center Foundation, Inc., to promote the interest, welfare educational and social development of all children in the Plainfield, NJ community by actively working to create an environment that will nurture and shape their growth. Our Mission is to develop children's competency, self-esteem and self-reliance through opportunities to make choices, experiment, create, imagine and inquire.

Attached please find our proposal for **Our City – My Town** *they say “a picture is worth a thousand words”*.

SSYC Teen Resource participants humbly request your assistance in helping them to have their pictures project a thousands words. Any donation would help make a difference and be greatly appreciated. We look forward to receiving your donation.
